ITEC NAIL TECHNOLOGY DIPLOMA

PART-TIME

ITEC DIPLOMA IN NAIL TECHNOLOGY DI

- Manicure and Pedicure
- Nail technology (Acrylic and Gel)
- Business awareness and Professional Conduct

On completion student will receive the ITEC international Nail technology Diploma

Our comprehensive nail technology diploma is an advanced course that prepares learners to work as professionals in the industry. As well as modules varying in manicure, pedicure, gel nails and acrylics, you will also study everything from how to run your own business, pricing structures and how to market yourself as a nail technician.

The nail industry is a thriving and exciting one and perfect for those with a passion for all things nails. Successfully completing this course can see graduates working from home, setting up their own business, become a nail educator for various nail brands. The list goes on!

Pre-Requisite

Students of this course need not have any previous beauty or nail qualifications as this course commences at the very basics of nail technology studies. Students must be 16 years of age or over at the time of course commencement.

With the international qualification the student is eligible to work on board the luxury cruise liners-we arrange interviews.

The cost of the course includes tuition, Manicure and pedicure kit, nail technology kit, Business Manual, Nail tech and Mani/Pedi manuals/study guides, textbooks, Uniform, internal examinations and international ITEC examination fees.

DURATION: This course runs over a period of one year and the student will sit for ITEC nail technology Diploma examination in November.

Classes will run once or twice per a week 9am to 2pm. Course starts 30th January 2024.

Classes run on a Tuesday, Wednesday, Thursday, or Friday. A schedule will be given for class dates for each Term and cover the mandatory units.

We follow the government school timetable.
